

Welcome to Your Care Program

A message from your Fold Health care team

Dear [Patient Name],

Welcome! Your care team has enrolled you in the Fold Health Care Program, a program designed to help you stay healthy, connected, and supported between visits with your provider.

What to Expect

- A dedicated care team will check in with you regularly.
- You may receive calls, texts, or messages about your health goals.
- Your provider will stay informed about your progress.

Why This Matters

This program is part of your care, at no extra cost to you, and is intended to help you get more support in managing your health.

If you have any questions, please don't hesitate to reach out to your care team.

Warm regards,

Your Fold Health Care Team
