

Your Health, Better Supported

Introducing your Fold Health Care Program

What You Get

- A dedicated care team checking in on you
- Help understanding your conditions and medications
- Support connecting with your doctors and specialists
- Resources to help you reach your health goals

How It Works

- Enroll with your provider's referral — at no extra cost
- Receive regular check-ins by phone, text, or mail
- Work with your care team on a personalized care plan

Get Started

- Contact your care team at support@foldhealth.io
- Or call the number provided by your provider's office
